The College of Science has the following requirements:

1. Any coursework in the major field transferred from another institution must be approved by the major department.
2. The maximum amount of credit that may be earned through co-op is 10 credits; some departments allow some of these credits to substitute for major courses. Check with the department for specifics.

Psychology has the following requirements:

1. All students are required to complete at least 40 hours of college-level psychology coursework.
2. Up to a maximum of 12 credits in Psychology may be transferred from another institution, with dept. approval.
3. A minimum of 20 credits in Psychology coursework must be completed at FAU.
4. A minimum of 31 semester hours must be taken in upper division.
5. Up to 9 hours of lower-division Psychology coursework may be applied to the Psychology major upon approval of the department.
6. A grade of C- or better is needed in all courses for this major.

NOTE: Students are strongly urged to complete major and general requirements in as timely a manner as possible. If a required course is left until the final semester, and the course is then either not offered or is closed, graduation will be delayed.

Academic Advising - Boca Raton Campus: ALL undergraduate academic advising for psychology students over 45 credits will be handled by the staff of the Student Services Office for the Charles E. Schmidt College of Science. This advising will address the requirements for the major as well as for the other general graduation requirements that must be completed. The Student Services Office is in the Science and Engineering Building (SE) in Room 308. Students can arrange for an advising appointment with the staff in that office by logging into the Success Network system online at <https://fau.navigate.eab.com/>. Students needing further assistance can contact the office by telephone at 561-297-3700. Psychology department faculty (on all campuses) are available to students for guidance in career choices, graduate training, research opportunities, information about specific sub-disciplines within the field, etc. Undergraduate students are strongly encouraged to seek out a faculty mentor to complement the comprehensive academic planning that is offered via the College of Science's Student Services Office.

Other Campuses: Advising on the Davie campus is provided by Ms. Anna Botero, Academic Coordinator in the Davie Student Services Office at (954) 236-1103. Advising on the MacArthur campus in Jupiter is conducted by Academic Advising and Services at (561) 799-8697 or (561) 799-8698.
