Program Name Accounting BBA Economics Requirement		<input type="checkbox"/> New Program* <input checked="" type="checkbox"/> Change Program*		
		Effective Date <i>(TERM & YEAR)</i> Fall 2025		
Please explain the requested change(s) and offer rationale below or on an attachment. <p>As the college explored the business core, accounting considered what economics courses our majors should take. The decision was made to allow the students greater flexibility and expand the allowable economics options accounting majors could take. Previously, students took Money and Financial Markets (ECO 4223). This change allows them to take any upper division ECO or ECP course that does not have an upper division prerequisite.</p>
